Bachir Diaw

FILM & TELEVISION ACTOR · DAKAR

MEDIA KIT

About

My career to date includes one feature film, eight fiction series and three institutional productions.

Along the way, I have also built collaborations with brands and institutions, notably as brand ambassador for Henefen and Bamba Sow Design.

Driven by a passion for audiovisual work and creation, I am now widening my expertise to production management, eager to contribute to a variety of artistic and audiovisual projects.
